Will Each of Us Help Save Those We Say We Love?

“Blessed is he who has regard for the weak; the Lord delivers him in times of trouble. The Lord will protect him and preserve his life; he will bless him in the land and not surrender him to the desire of his foes. The Lord will sustain him on his sickbed . . .” Psalm 41:1-13

Please help save children from America’s abortion holocaust! Indicate below where your skills allow you to serve best. Your compassion may indeed save the lives of local children—who will hug you in Heaven. Thank you for responding.

Would you like to adopt a child? Please consider being a foster parent. The cost of qualifying is low, with relatively few requirements imposed on the home. Monthly compensation is provided with added assistance for special needs children. You have a good chance of beginning an affordable adoption process for a child you have come to love. Each child deserves to be adopted into a loving home if restoration of the birth parents’ home does not occur.
